

CSCS
Swiss National Supercomputing Centre

New horizons with Horizon

Part1: current status of affairs

Mario Valle
Swiss National Supercomputing Centre (CSCS)

Need your input

- Visualization experience?
- In which area of chemistry are you working in?
- Which visualization tools used?
- How do you use visualization in your work?

Swiss National Supercomputing Centre

New horizons with Horizon

Part2: what are your needs?

Mario Valle
Swiss National Supercomputing Centre (CSCS)

Starting questions

- Which impact will Horizon have on your research?
 - Bigger datasets?
 - Quicker turnaround times?
 - Computational steering?
 - Parallel rendering?
- Which training do you think you need?
- Tools needed? New platforms to be supported?
- Virtual theater? Big display wall?
- Setting up a community (Blog, Wiki, newsletter)?
- Whatever you think is relevant
